### EXPERIENCE

Holly is an attorney at Lake Effect HR & Law, a firm devoted exclusively to representing and advising employers on all facets of HR and Employment Law. During her thirteen years of legal experience in the public sector, private practice, and as in-house counsel, Holly has proven herself as a problem-solver.

Holly began her legal career as a Labor and Employment attorney at Foley and Lardner in Madison, WI. In that role, she advised management clients on employment-related issues including handbook drafting, human resources training, wage and hour compliance, and trade secret law. Holly subsequently served as associate general counsel at Great Lakes Higher Education Corporation where she advised management on laws impacting the student loan industry, including consumer protection, privacy, employment, and regulatory compliance laws.

In the public sector, Holly served the Wisconsin Department of Justice as an Assistant Attorney General where she represented the state in antitrust, fraud, employment and benefits-related matters. Holly was appointed the Department's Special Assistant Attorney General for Mortgage Foreclosure Mitigation, representing Wisconsin in the \$25 billion multistate National Mortgage Settlement and related matters. In this role, she oversaw a team that worked closely with national banks and mortgage servicers to ensure compliance with settlement terms and help homeowners stave off foreclosure.

Her collaborative approach helped thousands of homeowners find affordable payment options and ultimately stay in their homes.

Holly is also a trained and experienced mediator who serves on the Board of Wisconsin State Bar's Dispute Resolution Section. She currently serves as President of the Board of Directors for Economic Justice Institute, Inc., which supports the EJI clinics at the University of Wisconsin Law School and houses the project LIFT Wisconsin.
